Five Star Transportation, Inc. Acquires Delivery Hawaii, Inc.

HONOLULU, August 13, 2019

Five Star Transportation, Inc. announced that it has acquired Delivery Hawaii, Inc., the Hawaii market leader in fulfillment services, effective August 1, 2019. The acquisition will allow Five Star to offer an expanded array of distribution, storage, and fulfillment services to both Hawaii and Mainland companies seeking third party logistics solutions within the state of Hawaii. With this acquisition, Five Star further strengthens its ability to provide comprehensive, “Five Star” service within the Hawaii logistics market while additionally fortifying its market leadership position.

“The addition of Delivery Hawaii to the Five Star family is a significant step in the company’s long-term initiative to be Hawaii’s leading full-service, statewide provider of fulfillment and third party logistics. The service offerings of Delivery Hawaii as well as its highly experienced staff and customer-friendly technology perfectly complement those of Five Star. The acquisition will be beneficial to both Delivery Hawaii and Five Stars’ existing and future customers as they will have access to even more value-added services” stated Michael Hruby, Five Stars’ President and CEO.

Ken Dawson, President of Delivery Hawaii, added: “With retirement on the horizon, my wife Monica and I have been keen on maintaining and building the business foundation we have established. In Five Star and Michael Hruby, we have found a perfect partner to take our business to the next level while maintaining a high level of customer service.”
